November the Rear-Admiral's flag was flying at the fore truck. Admiral Irwin as was quite natural, carefully scanned the naval fleet at anchor. As he stood on the bridge of the China his surprise was great, for flying from the Philadelphia was another Rear-Admiral's flag. Admiral Irwin landed the marine glass to Captain Ward of the China with the remark that it was a strange coincidence that there was two flags showing equal authority floating from vessels in one harbor. A boat was
